

Social Media Maintenance

Are you feeling the added weight of incorporating social media management into your everyday marketing tasks for your business? Digital Jungle Media's social media experts can manage your online communities so you don't have to! With several options to choose from, you are sure to find a maintenance package that fits your budget and marketing goals, while taking the weight off of your shoulders.

Maintenance is more than just keeping your social media sites running. Digital Jungle Media's social media maintenance helps you:

- Plan your social media marketing so it matches your business's industry, audience and brand
- Grow your online community by targeting and earning new members
- Strengthen the brand of your business
- Bring in new leads through promotions and campaigns
- Respond to customer praise and criticism
- Make your campaigns more dynamic through the addition of blogs, photos, videos and other new media
- Review monthly reports on community activity
- Stay on top of the ever growing and expanding social media world

What social media sites does Digital Jungle Media maintain and [set up](#)?

We use the social media sites that make the most sense for your business. There isn't a one-size-fits-all approach to social media marketing because every business and industry's audience is different. But we have experience and expertise in just about every social media channel, including:

- Facebook
- Twitter
- YouTube
- LinkedIn
